

Seaweed

without the **grind**

Conveniently,

our wild seaweed Table Condiment grinds like pepper in a normal mill. Its *fresh, mildly salty flavour* ('tang' is the Old Norse word for seaweed) reveals an extraordinary wealth of minerals. It mixes well with herbs and adopts a subtle nuttiness in cooking and baking - which is why we also produce a ready-granulated Culinary Ingredient. Ask for Seagreens® at your favourite health store, delicatessen or food hall.

All Seagreens® products are Certified Organic, Vegetarian, and Vegan.
