## Scholl has relaunched **Deep Moisturiser** and **Rough Skin Remover**.

Rough Skin Remover contains mild fruit acids that break down chemical bonds between the keratinised cells, a natural pumice that forms abrasive granules, and paraffin wax to pull at the dead skin.

Deep Moisturiser is specially formulated for tough skin on feet, and contains natural moisturising factors.

**Seagreens** food capsules, launched in Holland & Barrett and Waitrose in April, are organic, all-vegetable capsules that can be used every day as a naturally-balanced whole food multi-nutrient. They contain three varieties of arctic wild wrack, as well as vitamins, antioxidants, naturally-chelated minerals and trace elements. The range also includes Seagreens Culinary Ingredient, low-sodium seaweed granules, and Seagreens Table Condiment, low-sodium wild wrack pieces for use in salt or pepper mills.

Seagreens: 0171 723 5968.
