

# Oceans of Goodness

NATURE  
PROVIDES  
NUTRIENTS

OUR BODIES  
NEED  
MOST OF  
THEM

NATURE  
CHANGES  
GRADUALLY

SO DOES  
YOUR  
BODY

OVER TIME  
NATURE  
WORKS  
WONDERS

SO WILL  
*Arctic fresh*  
**Seagreens®**  
FEED THE  
FOUNDATION  
OF YOUR  
HEALTH

The ocean is a constant nutritional medium where among remote islands we harvest arctic fresh *Seagreens®* without harming plants or environment. Every day, *Seagreens®* Wild Seaweed Food Capsules will provide the widest balanced variety of nutrients of any natural food, to build and sustain the very foundation of your health. Over 70 nutrients include all the important minerals and trace elements, 15 vitamins including the antioxidants, a complete range of amino acids, and proteins, enzymes, essential fatty acids and valuable compounds.

Only *Seagreens®* are Certified Organic, Vegetarian, Vegan. In health stores now.

For a month's supply send a cheque for £13 payable to *Seagreens Ltd*. Please print your name & address on the back of your cheque. We'll dispatch within 28 days with details of stockists and other *Seagreens®* products.

Or just call 0171-723 5968 for product information and stockists.
